

We Love You, Mom!

D N A (Dad, Noah, Alissa)

We know that we don't always listen (mom)
We know that sometimes we're not good. (mom)
We know that we should mind our manners (mom)
We know we don't act like we really should (mom)

But we know you love us – no matter what we've done
And from now on, we'll try to show you you're number one!

We love you mom
 You've been so good to us
We love you mom
 You're the only mom we'd trust
We love you mom
 No other mom will do
We love you mom
 There's no one else like you

We know we sometimes drive you crazy (mom)
We know we sometimes make a mess (mom)
We know that sometimes we're just lazy (mom)
We know that sometimes we're a pest (mom)
